The science seminar kicks-off the science fair year. It is open to grades 6-12 private, parochial, charter, public, and home schools.

Let us provide you with the support and information that includes:

- *get organizational tips from science fair experts*
- *discover best practices in science writing and reporting*
- *learn and hear from SRC experts*
- *learn techniques and strategies for successful project display*
- *visit with exhibitors and view sample science projects*
- *register for door prizes, educational materials, etc*

CPE credit will be offered for teachers. Seating is limited (300).

Please, No Phone Reservations
